

SPIRITUAL GROWTH

St. Joseph School is a Catholic educational institution substantially subsidized financially by the families of St. Joseph Parish. St. Joseph Parish is an important part of your child's spiritual development and experience. Your family's participation in this community is essential to their spiritual development, their integration into this community, and is a significant part of their education. Parents who are members of St. Joseph Parish are invited to be active members of our faith community by sharing the gifts of time, treasure, and talents. The example of your participation in the life of your parish will form your child's religious and spiritual experience. You are your child's most important role model. We encourage family involvement with the parish as well as the school.

Practice of the Faith

Weekly attendance at Sunday Mass and frequent reception of the sacraments is necessary for the student to develop his/her own depth of spirituality. We ask Catholic families to sign a spiritual covenant showing cooperation in this aspect of the child's development.

At St. Joseph School, we attempt to provide a spiritually nurturing atmosphere, with frequent Mass attendance, regular opportunities for Reconciliation, and daily communal and private prayer. We expect our parents to provide the regular experience of weekend liturgies with their children. Mass attendance is reviewed each Monday morning with students. As a family receiving the parish contributing rate, a commitment has been made on the tuition contract to attend weekend liturgies with your child.
